

**Board Report NCC
October 15, 2023**

*I have been working on developing our presence online. So far, we are on YouTube and Facebook.

*Sundays after church I share our FB video and add to YouTube. It's also available on the website. By the way, are you visiting the website?? Nianticcc.org

*I have begun "discussion" on Facebook Live each Monday morning, giving further information about the sermon topic from the day before. This is also posted on YouTube.

*I have planned out all the worship series and sermon materials for 2023. Each month has a sermon series. Our current series is: Getting Unstuck.

I have been meeting with the cluster clergy monthly online. CCIW Communications Group meets 2nd Wednesdays via Zoom.

I attended GA 7/29-8/3. All GA business items are available [here](#). Kim Stahl preached for me 7/30.

The Core 52 Bible study began June 19th. 15 people are participating, including members from both Niantic and Illiopolis. We meet the 3rd Monday evening of the month to discuss topics. Our next meeting will be at ICC October 16th at 6 PM.

I helped Brenda with VBS 8/9. Fun was had by all!

I took vacation 9/1-9/4. Rev. Keela Neuman preached for me, Kim Stahl assisted in leading worship.

We had worship in the park September 10th. It was well-attended.

I gave the keynote at Southern Illinois Women's Retreat 9/30-10/1 at Camp Walter Scott. Rev. Keela Neuman preached for me, Kim Stahl assisted in leading worship.

I did a mediation workshop for Helping Hands of Springfield August 28.

I met with a group of clergy to plan out worship/sermon series for 2024. I have a worship plan through 3/2/2025!

Are we interested in ChurchTrac? \$97.20/year, can replace our website (\$312/year), have a phone app, manage people data base and print directories, online document storage, can do online giving, accounting and budgets.

It is a gift and a blessing to be your pastor!

Melissa
